

CU*Answers Video Customizing

You can't beat the power of video when it comes to holding people's attention and keeping them interacting with your website or entertained in your lobby. Use that connection with your members to the fullest by customizing our videos with your Credit Union's logo and information, making them look like they were made just for you.

Fulvew Productions offers customizing and licensing of credit union commercials and videos to all members of the CU*Answers network and network partners.

**\$350 per video customization and license (Discounts available for multiple video orders)*

**Includes delivery of 2 DVDs and 1 electronic version (Quicktime, Windows Media, Flash, etc...)*

**\$25 per additional electronic version*

**\$10 per additional DVD (Discounts available for large quantity orders)*

**License allows you to use the video any way you want for as long as you want*

**We can also customize the voice over at the end of the videos to say your credit union's name for an additional \$350*

**Youtube assistance available*
