

Of Course! is coming soon!

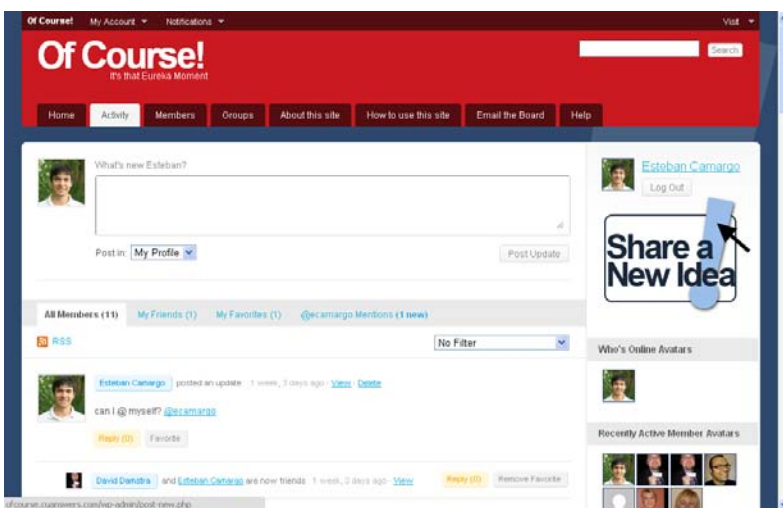

What is the Of Course! site?

The holysh*t.com idea really took the group by storm at last year's CEO Roundtable...but on the way to the future, things sometimes change. We are excited to introduce a new website that will give Credit Union CEOs the opportunity to share ideas and ask questions of one another.

What can I use this site for?

Anything you want! This site is designed for you to make of it what you will. Ask for shared policies, share your approach to tackling the current economic environment, suggest a useful management tool in CU*BASE, sing Randy's praises—it's all up to you!
