

OBC Customization Stats

- Over 65 credit unions have submitted the customization form
- More than 60 unique background colors in use
- Over 20 Credit Union Twitter and Facebook links added to the OBC

Have You Customized Your OBC Page?

In April 2011 CU*Answers made the move from the old It's Me 247 online banking login page to the new Online Banking Community (OBC). The new design, with its friendlier presentation, stronger security, and customizable features has been met with a great deal of enthusiasm.

More site enhancements are in the early stages of design. In the meantime, take a look back at what can be done today!

Add Links to Various Credit Union Pages and More...

Links can be added not only to your credit union website's home page, but to much more. Other configurable links include Contact Us, Rates, Newsletters, Facebook and Twitter.

Apply a New Background Color to Your Login Page

If you're looking to add a little more flair to your It's Me 247 login page, look no further than the background color. Take a look at some colors in use by credit unions today:

#FD1F1C

#FF7300

#3696F7

#005BA8

#002D5A

#025601

#441070

Interested in Customizing Your Credit Union's Page?

Fill out and fax the form found on the back of the page. The form is also available in the It's Me 247 Reference page on the CU*Answers website under Online Banking Community Customization Form:

http://cuanswers.com/client_reference_itsme.php

OBC Customization Form

Use this form if you would like to customize your It's Me 247 OBC login page. A signature by an authorized credit union security officer is required for all changes. All URLs must include a fully qualified domain name and be in the form <http://www.cuanswers.com/client.php>. OBC Background Color must be an HTML color in hexadecimal form #E8E8E8.

CU Name: _____ It's Me 247 CUID: _____ Date: _____

Security Officer Name: _____ Signature: _____

Contact Email: _____

CU Home Page URL..... : _____

Contact Page URL : _____

Newsletter Page URL : _____

Rates Page URL..... : _____

OBC HTML Color* : _____

CU Twitter Account Name... : _____

CU Facebook URL..... : _____

*For an interactive preview and color selector, visit https://open.itsme247.com/obc_colors. If selecting the color outside of the site above, please note that the color you select will be stylized and appear darker on the website. Darker colors are recommended as the text at the top of the screen will always be light grey/white.
