Payroll Management Solutions

CU*ANSWERS
A CREDIT UNION SERVICE ORGANIZATION

Introduction

CU*Answers brings businesses of every size and growth potential a timesaving, cost-efficient and hassle-free payroll processing option. Our Payroll Management Solutions specialists can help you increase accounting accuracy while keeping overhead costs down by providing excellent customer service, easy-to-use technology and competitive pricing.

Co-operative | **PAYROLL**
SOLUTIONS, LLC

The CU*Answers Organizational Resource Development team has partnered with Co-operative Payroll Solutions, a CUSO based in North Carolina to provide credit unions with an easy cost-effective solution to address your payroll processing needs.

Choose the plan that meets your needs:

Preferred Vendor

CU*Answers researched several payroll processing vendors and selected Co-operative Payroll Solutions as our preferred vendor. The CU*Answers Organizational Development team uses Co-operative Payroll Solutions to process our payroll and time off requests across the cuasterisk.com network. **CU*Answers has seen up to 30% savings in payroll processing fees.**

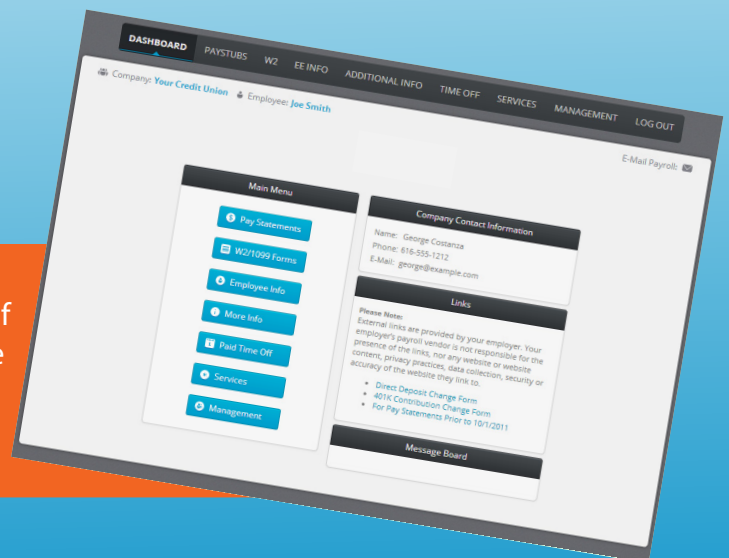

Payroll Option 1 - We'll get you started

CU*Answers assists in the initial implementation management with Co-operative Payroll Solutions and then hands off processing to the credit union's own payroll department for ongoing payroll (or auto payroll if appropriate). Leverage the CU*Answers' Organizational Development teams expertise with the Co-Operative Payroll Solutions system to get started on the right foot. Call for a quote.

Payroll Option 2 - Let us take care of it for you

CU*Answers assists in the initial implementation management with Co-operative Payroll Solutions and then continues processing payroll on behalf of the credit union. Leverage the CU*Answers' Organizational Development teams expertise with the Co-operative Payroll Solutions system as well as have your payroll management tasks taken care of. Call for a quote.

With Co-operative Payroll Solutions Employee Self Service Portal, your employees can login any time from any where to check pay statements, W-2s, manage time off requests and more.
