20.11 Imaging Solutions Software Release

Beta	Online	In-House
10/12/2020	**11/15/20**	**11/15/20**

What is this release?

This release is the 20.11 Imaging Solutions release for online, enhanced online, and in-house release managed clients. Some features do not apply to all three types of clients. Refer to the symbols within the document for details.

How do I get this release?

In-House Managed Clients: Imaging Solutions will be contacting you to schedule the update of your system for this release starting November 8th, 2020.

Have an in-house imaging server, but are not a Release Managed client? Sign up for Release Management today and we will waive the fee for the first year! Other options are also available. Contact Imaging Solutions for details at imaging@cuanswers.com.

Enhanced Online/Online Clients: Imaging Solutions will deploy your release on November 8th, 2020.

If you have any questions, please email us at imaging@cuanswers.com.

ProDOC

🏠 New information available in your Member List

Make filling out create forms in ProDOC easier than ever with the updated Member List. Now, in addition to account number, first name, last name, and social security number, we have started passing the member's street address, state, zip, phone number, and email address. Update your ProDOC create forms to use the following fields:

ProDOC Field	Field Description
Address1	Member's Street Address Line 1
Address2	Member's Street Address Line 2
City	Member's City
State	Member's State
Zip_Code	Member's Zip Code
Phone_Number	Member's Phone Number
Email	Member's Email

Online Banking

### 🏠🌐🌐 It's Me 247 Mobile Now Supports Statement Back Pages

Now members can easily view a statement back page right through the CU*Answers mobile app. When the member clicks to view the statement, it will automatically append the back page to the statement before presenting it for viewing.

🏠🌐🌐 CD Secured Loans Are Now Available

Just in case you missed it in the CU*Base release notes, CD Secured Loans are now available in It's Me 247. These new loans in It's Me 247 now let your member open a loan using their CD as collateral with no credit union user intervention. The best part, your member will be able to esign your credit union's note and it will automatically save into your iDocVAULT.
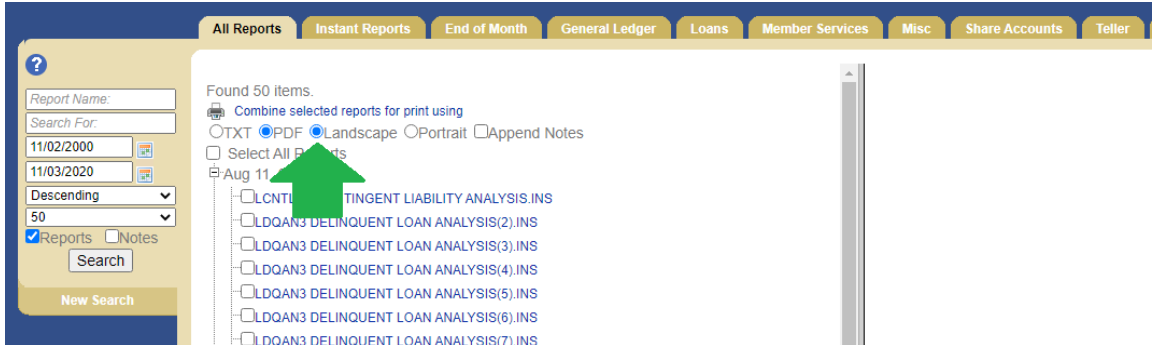

If you're interested, contact Lender*VP to get started at lendervpforms@cuanswers.com.
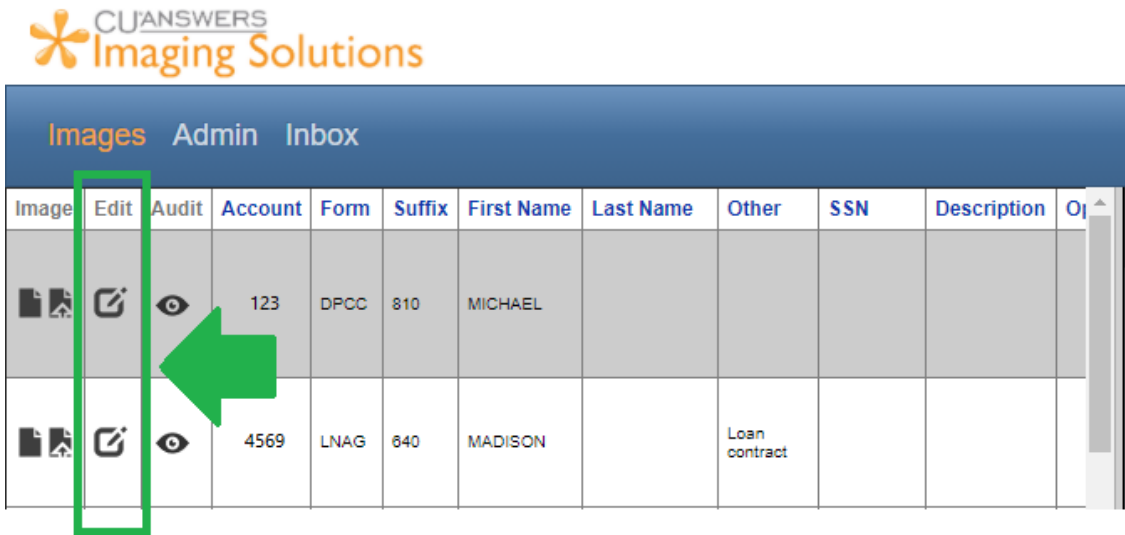

CU*SPY Online Reports and IDocVAULT

🌐🌐 Combine Reports with Landscape

It is now possible to combine reports in PDF and text in landscape format. Previously the when combining reports, it only allowed them to be in portrait mode. Now wide reports look a whole lot better. When combining, select to use "Landscape." or "Portrait" before clicking "Combine selected reports for print using"

🌐🌐 The Edit Button is Now Easily Accessible

We moved the document/index edit button to an easier to find location. It used to be all the way on the right-hand side and people had a hard time finding it. Now it is right next to the document selection buttons.

Security Updates

🏠🌐🌐 Security Updates

This release includes security updates to MySQL and PHP. These updates help protect your Imaging servers from security vulnerabilities and complaint in security audits.
