

# CU\*BASE 22.10 & 22.12 Release Resource Companion

December 2022

CU\*ANSWERS  
*The Writing Team*

This edition of the Release Resource Companion covers new and updated materials related to both the 22.10 Release and the 22.12 Release of CU\*BASE. Take a look at the topics below to view updates to the CU\*BASE software, booklets and additional resources, all collected in one convenient document for your staff!

## New Booklets!

### Native Receipts

The NEW Native Receipts application allows tellers to view, sign, print and archive receipts in Xpress Teller, replacing the functionality previously performed by ProDOC. Learn about requirements for Native Receipts, as well as how your credit union can activate this option. [Check out the booklet!](#)

### Biz Watch for ACH

**Biz Watch for ACH** is a NEW service designed for business members who want a higher level of control over unauthorized transactions submitted to their operating accounts. With the **Biz Watch** configuration, credit unions can assist members with automating how their incoming ACH debits will be handled. [Take a look at the booklet!](#)

## Updated Booklets

### Year-End Processing Guides

The Year-End Processing Guide is your one-stop shop for all of your credit union's year-end and tax related responsibilities. Updated items include IRA contribution limits for 2023 and Ascensus production file due dates.

Copies of the Year-End Processing Guide for both Online credit unions and Self-Processing credit unions are available below:

[Click here to view the \*\*Year-End Processing Guide for Online Credit Unions\*\*.](#)

[Click here to view the \*\*Year-End Processing Guide for Self-Processing Credit Unions\*\*.](#)
