## Notes for This Release

All projects will be available immediately. Your credit union will not need to implement any.

## Included in This Release

### **Add NMS CUSO Freddie Mac flag to Credit Union Master Profile (CUMSTRPF)**

**Project Number: 66600**

A new flag, *Freddie Mac – NMS CUSO*, was added to the CU Master Profile in **OPER Tool #5368 CU Master Profile (CUMSTRPF)** to indicate whether the credit union is a member of the Neighborhood Mortgage Solution for Freddie Mac loans.

### **Remove Payveris Funding Account Field(s) from OPER Tool #5427 Master CU Parameter Config**

**Project Number: 65457**

The Payveris (now referred to as Paymentus) Funding Account fields have been removed from **OPER Tool #5427 Master CU Parameter Config** as they are no longer used.

### **Six new emails to be added to Member Reach library**

**Project Number: 63991**

One new weekly and five new quarterly processing messages have been added to the master Member Reach library. The new emails will target:

- Member with loan payments approaching within the following week: payments > \$0, a current loan balance > \$0, and due in the upcoming 4-10 days (Sun-Sat) (*Message Type – BU*)
- Member with debit and credit cards opened within the previous quarter (*Message Type – BV*)
- Members who have logged into online banking for the first time in the previous quarter but have not set up eAlerts (*Message Type – BW*)
- All Members who have not used the mobile app within the last 3 months (*Message Type – MB (BX)*)
- Business memberships (*Message Type – CD (BY)*)
- Social Media Promotion sent to all members (*Message Type – SO (BZ)*)

## Upgrade two existing Member Reach messages to include .CSV option

**Project Number: 63988**

Two existing Member Reach messages (*Message Types BN and BM*) in weekly processing now have the option to generate a CSV file of emails.
