

# Jump into the beta pool!

SIGNUP FORM

Revised: April 2017

Does your credit union like to be in on the ground floor of new tools and ideas?

Have you got the kind of team that dives into new software with enthusiasm?

Are you an early adopter just chomping at the bit to get at that next new software feature?

**If you're willing to help us test other new tools at the same time, you just might get your wish.**

Each release has its own unique requirements and eligibility criteria, but even if you aren't eligible for a specific release, we still would like to include you in the pool of CUs to consider.

Yes! My credit union would love to jump into the beta-test pool for the upcoming release. Based on the rules published for this release, I have confirmed that we are eligible and I am authorized to commit the credit union to participate. **My team agrees to attend any scheduled beta training sessions**, and to complete the beta-test logs and provide feedback during the beta period as instructed.
