
National Shared Branching (Co-Op) at the Teller Line

Shared Branching from CU*BASE
through the Co-Op National Shared
Branch Network

INTRODUCTION

This booklet gives an overview of the steps required to process teller transactions through the Co-Op National Shared Branching Network (formerly the FSCC/CUSC networks). It also includes a list of supported transactions.

TELLER DRAWER INTERFACE

All teller transactions performed through the National Shared Branching Acquirer software will interface with the teller drawer exactly the same as transactions posted through the normal CU*BASE Teller Processing software. You can use normal Teller Drawer Control auditing features for balancing.

Below is an example of the Teller Drawer Audit screen showing three deposit transactions posted through the National Shared Branching Acquirer software, along with a few normal teller transactions on credit union members:

Notice that the account number of a shared branch member is in a different format than your credit union's own members.

POSTING A TELLER TRANSACTION

Following are step by step instructions for posting typical types of transactions through the Co-Op National Shared Branching Acquirer interface. Once you have accessed the member's account, shown below, you can process several different types of transactions:

- For Posting a Deposit, refer to page 8.
- For Using the Reverse Lookup, refer to page 6.
- For Posting a Cash Withdrawal/Disbursement, refer to page 11.
- For Transferring Funds, refer to page 13.
- For Cashing Checks, refer to page 14.
- For Miscellaneous Receipts, refer to page 16.
- For Check Withdrawal, refer to page 18.
- For Account Inquiries, refer to page 20.

ACCESSING THE MEMBER ACCOUNT

1. Choose **Tool #1 Teller Line Posting** or use shortcut **TELLER**.

After entering your Employee ID, select **SB Network** (F15).

Session 0 CU*BASE GOLD Edition - CU*ANSWERS TEST CREDIT UNION (CU)

File Edit Tools Help

Teller Processing

Credit union ID CU*ANSWERS TEST CREDIT UNION

Account # Vault ID 02

Process code Funds in/serving primary member Account type 000

Privacy controls are ON
 Masking Questions
This workstation is CU Staff

Search Criteria

Last name First name DBA name

SSN/TIN 6 digits Card # Account

Employee # Reference

i If using either the "Check" or "Money Order" process code, use the account type field to specify the account from which funds should be taken.

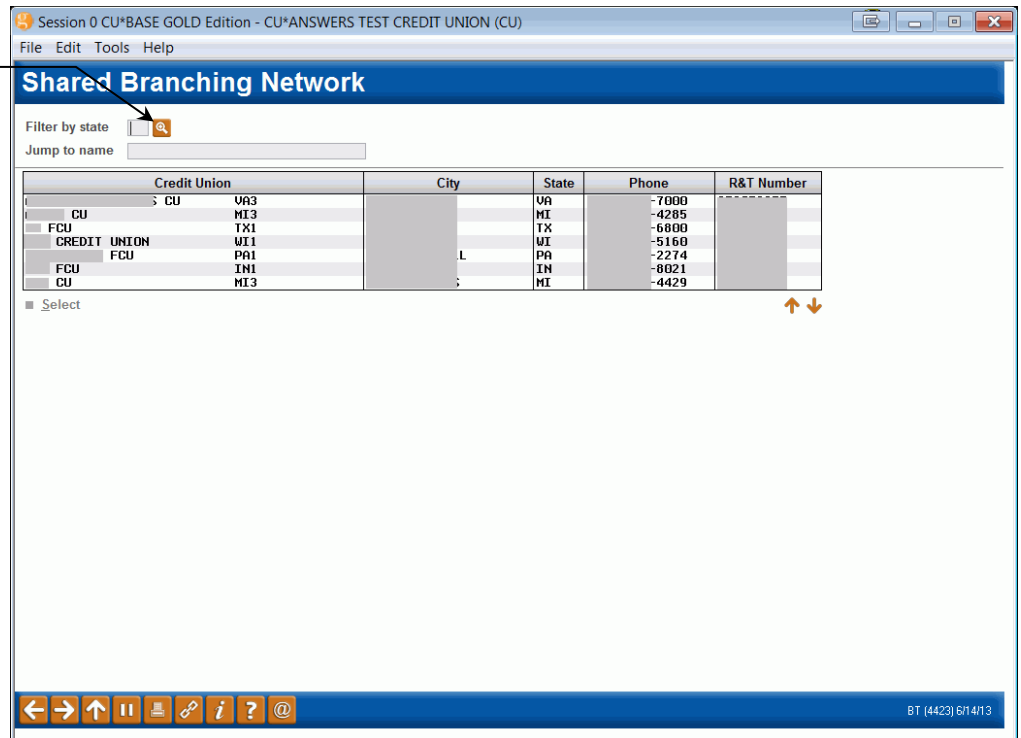

Comments	Device Config	Transaction Desc	Transfer	Non-Member Svcs	SB Network
Open Mbrship/Account	Close Accounts	Rate Inquiry	Drawer Control/Audit		

BT (3248) 6/14/13

2. Enter your Employee ID and password, and then use **SB Network** (F15) on the lower right of the screen to proceed.

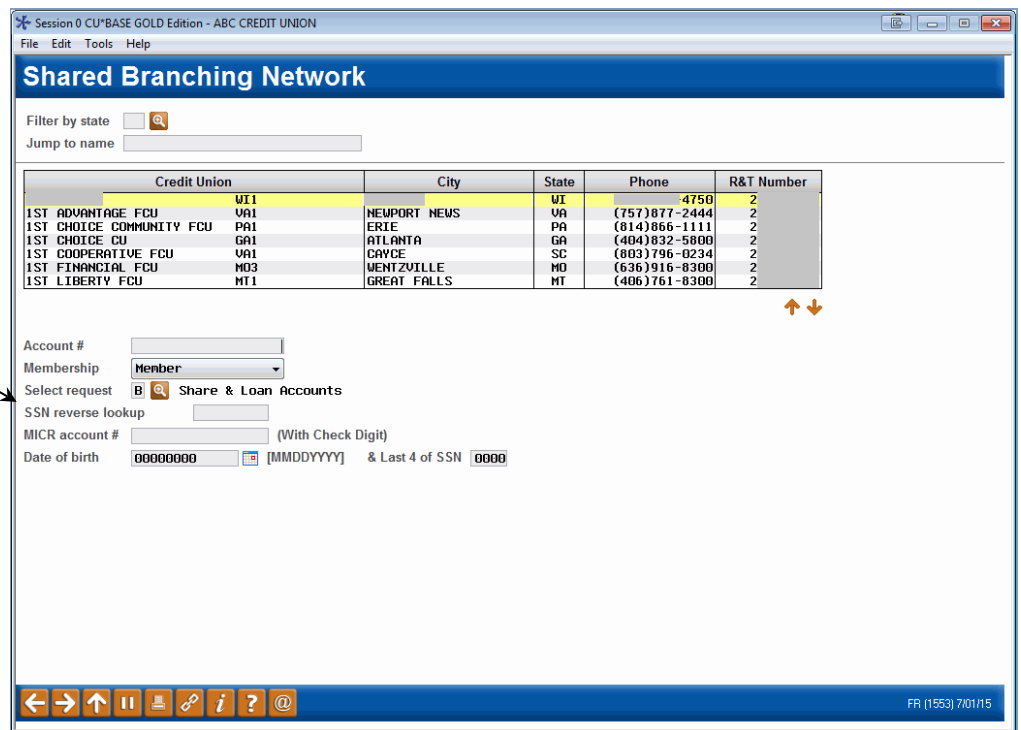

Enter the two-character state (such as MI for Michigan) and press Enter to display only those CUs. (Click the lookup button  to choose from a list of states.)

Or enter the first few letters of the credit union name in the *Jump to Name* field and press Enter to scroll quickly to the first name that matches.

3. Select the member's credit union from the list.

The system will automatically pull all share and loan account information, so this field needs to be changed only when you wish to limit the account data that is pulled. If you enter a SSN, this field will change to an R for the reverse SSN lookup.

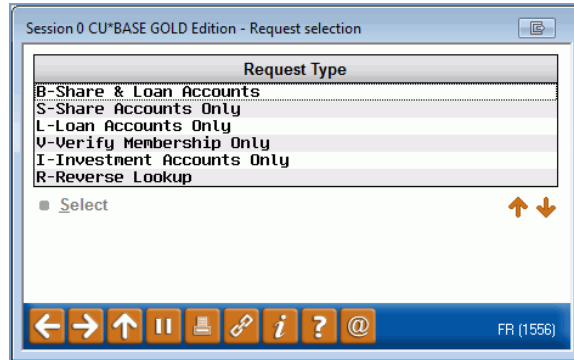

4. Use the fields at the bottom of the screen to enter the member's account number and specify whether this is a member, joint owner, or non-member.

- You can select to search by account or by Social Security Number. (see info below) See page 6 for details.

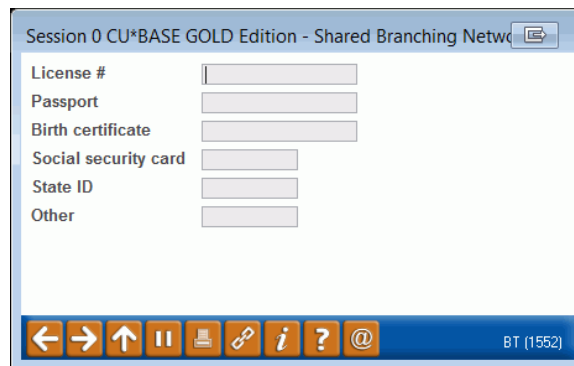

- The *Select Request* field displays the type of accounts that will be pulled available for transactions. **This will default automatically to pull both share and loan accounts, so leave it as “B” unless you need to change the setting.**

To change the setting, click the lookup button  to see a list of available options. The following window will appear:

Double-click on the desired option to select it and return to the previous screen.

- After, use **Enter** to proceed to the next screen.

- After verifying the member’s identity manually, you can press **Enter** to skip this screen and proceed.

It may take a few seconds while member information is verified and account information is pulled.

Use the steps shown on the following pages to post a deposit, a withdrawal, transfer funds, process miscellaneous receipts, receive loan advances, withdraw money from a share account with a check, process account inquiries, and reverse transactions.

REVERSE LOOKUP

You can also search for an account by entering the member's Social Security Number (SSN), the MICR account #, or both the member's birth date and last four digits of the SSN. (For the last reverse lookup two pieces of information are needed.)

On the first screen, choose *Reverse Lookup (R)* for the *Select Request* field.

Credit Union	City	State	Phone	R&T Number
CU UT1			4750	
1ST ADVANTAGE FCU VA1	NE-UPURI NEWS	VA	(757)877-2444	
1ST CHOICE COMMUNITY FCU PA1	ERIE	PA	(814)866-1111	
1ST CHOICE CU GA1	ATLANTA	GA	(404)832-5800	
1ST COOPERATIVE FCU VA1	CAYCE	SC	(803)796-0234	
1ST FINANCIAL FCU MO3	WENTZVILLE	MO	(636)916-8300	
1ST LIBERTY FCU MT1	GREAT FALLS	MT	(406)761-8300	

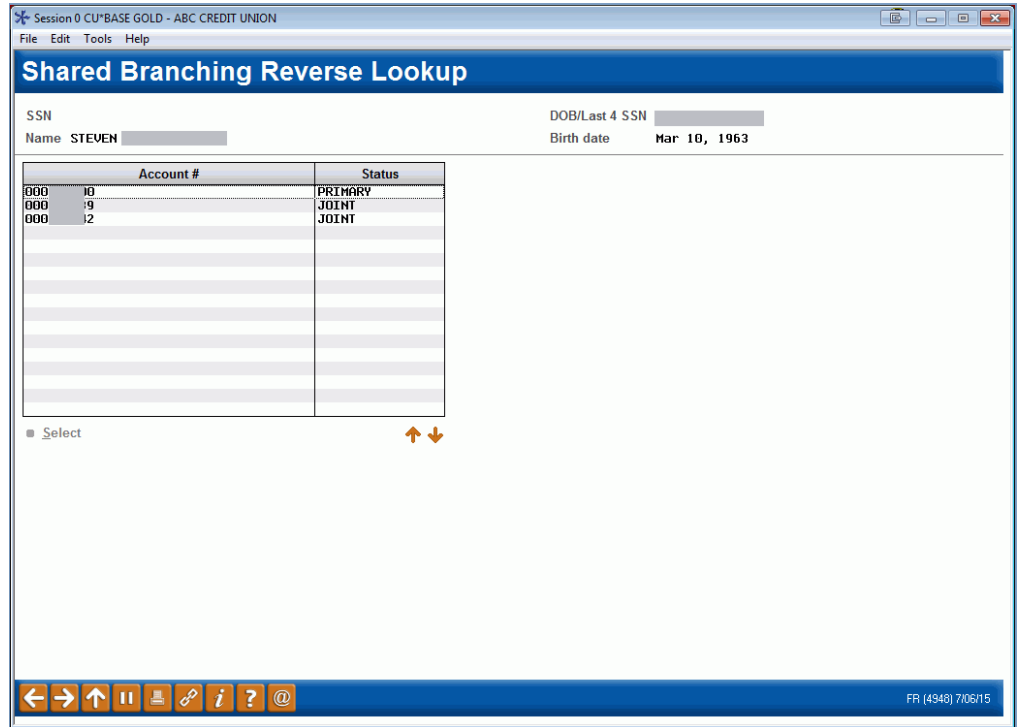

The enter your information:

- The entire SSN of the member
- The MICR account number of the check
- The birth date of the member and the last four digits of the member's Social Security number.

Press Enter.

From the next screen select the individual on the account in front of you.

- Different information about the member will appear at the top of the screen depending on the information used in the reverse lookup.

You will return to the initial selection screen with the account number populated.

POSTING A DEPOSIT

After performing the steps under “Accessing the Member Account” on Page 3, the Funds In screen shown below will appear. Use the following steps to post a deposit to one of the member’s accounts.

IMPORTANT: Only one deposit can be done per transaction. If the member wants to deposit funds into two accounts, you will need to process it as two transactions. See below for further instructions.

HINT: Click the arrow next to the *Check Type* field for valid choices, which include the following:

I=Immediate
or L=Local
(See note below for more information.)

Funds In		Outside Checks/Drafts				
		Check #	Account #	R&T #	Check Amount	Check Type
Cash	0.00			000000000	0.00	
Total outside checks	0.00			000000000	0.00	
Total available funds	0.00			000000000	0.00	
				000000000	0.00	
				000000000	0.00	
				000000000	0.00	
				000000000	0.00	
				000000000	0.00	
				000000000	0.00	

1. Use the **Cash** field to enter the total amount of cash coming in for this transaction.

2. Use the **Outside Checks/Drafts** fields for information about any checks coming in for this transaction (use Page Down to enter more than 8 checks), including the following details:

- ◆ Check number
- ◆ Account number
- ◆ R&T number (*from the MICR line of the check*)
- ◆ Check amount
- ◆ Check type (*used to determine hold days*)

During this transaction, all checks entered must “go to the same place” (be deposited into the same account at one time)

Note on Check Type

When depositing a check, you can select a *Check Type* of either “Immediate,” “Local,” “Business,” or “Payroll.” This selection is presented in the message file with the transaction to the member credit union, which determines the number of hold days, if selected. Check holds are determined as follows:

- If the teller flags the check for “Immediate” availability, then the funds will not be held and will be immediately available to the member.
- If the teller flags the check for a “Local,” “Business,” or “Payroll” hold, then the funds will be held for the number of days configured by the member credit union. *Please note that regardless of the hold configured here, \$200 will be automatically released on the next business day as required by Regulation CC.*
 - NOTE: Checks marked as “Business” can only be sent by themselves.
 - NOTE: Only five payroll checks are allowed in one batch.
 - *If the member you are assisting comes from a credit union processing with CU*BASE, the check holds days used for local, business and payroll are the same. Online credit unions can contact a Client Service Representative to adjust their own issuer configuration. Self-processing credit unions can adjust this configuration in OPER 10 > 28, option 4.*

However, if the member visiting your credit union is coming from a credit union with a different processor, these hold days may not be the same.

3. Press **Enter** to refresh the screen and calculate total funds in.
4. Repeat steps 2 and 3 as many times as needed until all checks are logged.

- Use **Deposit - W/D** (F10) to proceed to the next screen.

If cash or checks were entered on the Funds In screen, no withdrawals will be allowed here.

The screenshot shows the 'Shared Branching Network' interface. At the top, there's a menu bar with 'File', 'Edit', 'Tools', and 'Help'. Below that, the title 'Shared Branching Network' is displayed. The interface is divided into several sections:

- Account #**: A field for entering the account number.
- Member Information**: Fields for Name (COREY), Address, Phone (4555), SSN, Account type (1 = Individual), and Drivers lic (705).
- Credit Union Information**: Fields for Name (CU), Address (AVE), Phone (4750), and R&T #.
- Transaction Table**: A table with columns: Loan Payoff/Current Balance, Loan Payment/Net Available, Account #/Description, Deposit Amount, Withdrawal Amount, and Proc Code. The table contains three rows:

Loan Payoff/Current Balance	Loan Payment/Net Available	Account #/Description	Deposit Amount	Withdrawal Amount	Proc Code
2,085.27	2,080.27	REGULAR SHARE	0.00	0.00	<input type="checkbox"/>
2,393.53	2,010.40	SHARE SAVINGS	0.00	150.00	<input type="checkbox"/>
6,771.41	6,771.41	SHARE DRAFT	0.00	0.00	<input type="checkbox"/>
- Funds in**: A field showing .00 with up and down arrow icons.
- Net cash trans +**: A field showing .00.
- Cash back =**: A field showing .00.
- Buttons**: 'Post', 'Show Acct Type', and 'Calculate Cash Back'.
- Footer**: A navigation bar with icons for back, forward, up, down, print, search, help, and a status bar showing 'FR (1551) 7/02/15'.

- On this screen, enter the full Funds In amount into a single account.

The entire Funds In amount must be deposited during this transaction. If the member wants cash back, once this transaction has been posted you can proceed to post a separate withdrawal transaction. Also, you cannot deposit part of the funds into a savings account and part into a checking account during the same transaction.

- Press **Calculate Cash Back/Enter** to refresh the screen, verifying that *Cash back to member* shows as 0.00.
- When ready, use **Post** (F5) to post the transaction.
- If the transaction was completed, the following confirmation window will appear:

The screenshot shows a confirmation window titled 'Session 0 CU*BASE GOLD Edition - Confirm'. The main text reads 'Approved or completed successfully' followed by 'Press Enter to Continue'. At the bottom, there is a navigation bar with icons for back, forward, up, down, print, search, help, and a status bar showing 'FR (1470)'.

- Press **Enter** to return to the Funds In screen.
- Perform any additional transactions this member needs.

OR

Use the up arrow to exit this member and return to the initial teller posting screen.

A teller receipt will be produced as usual, with a notation “FSCC” or “CUSC” and the foreign credit union’s R&T number at the bottom of the receipt to denote a shared branch transaction.

POSTING A CASH WITHDRAWAL / DISBURSEMENT

After performing the steps under “Accessing the Member Account” on page 5, the Funds In screen shown below will appear. Use the following steps to post a withdrawal from one of the member’s accounts.

IMPORTANT: Only one withdrawal can be done per transaction. If the member wants to withdraw funds from two accounts, you will need to process it as two transactions. See below for further instructions.

Calculate Cash Back

i The entire funds in amount must be deposited during this transaction into either a checking or savings account as a whole.

FR (1551) 7/02/15

2. On this screen, enter the full amount to be withdrawn from a single account.

You cannot withdraw funds from more than one account at a time.

3. Press **Calculate Cash Back/Enter** to refresh the screen, calculating *Cash back to member*.

NOTE: The system will not verify available balance at this time. This is done when the transaction is posted.

4. When ready, use **Post** (F5) to post the transaction.
5. If the transaction was completed, the following confirmation window will appear:

Session 0 CU*BASE GOLD Edition - Confirm

Approved or completed successfully Press Enter to Continue

FR (1470)

6. Press **Enter** to return to the Funds In screen and perform any additional transactions this member needs.

OR

Use the backup arrow to exit this member and return to the initial teller posting screen.

A teller receipt will be produced as usual, with a notation “FSCC” or “CUSC” and the foreign credit union’s R&T number at the bottom of the receipt to denote a shared branch transaction.

TRANSFERRING FUNDS

After performing the steps under “Accessing the Member Account” on Page 3, the Funds In screen shown below will appear. Use the following steps to transfer funds from one account to another.

- **IMPORTANT NOTE:** This is the only supported method to transfer funds using the FSCC or CUSC Acquirer software.
1. Transfers cannot be posted if cash or checks are entered on the Funds In screen; therefore, leave all fields blank and use **Deposit - W/D** (F10) to proceed directly to the next screen.
 2. Enter the dollar amount in the account you would like to transfer the money **from**. Enter the dollar amount in this field only.
 3. Enter a **T** (for Transfer) in the *Proc Code* field next to the account that you would like to transfer the dollar amount **to**. Enter a T in this field only.

Do not enter a Proc Code “T” next to both accounts.

The screenshot displays the 'Shared Branching Network' interface. It includes fields for 'Account #', 'Member Information' (Name: COREY, Address, Phone: .4555, SSN: ****-*, Account type: 1 = Individual, Drivers lic: .705), and 'Credit Union Information' (Name: I CU, Address: . AVE, Phone: .4750, R&T #). Below this is a table with columns: Loan Payoff/Current Balance, Loan Payment/Net Available, Account #/Description, Deposit Amount, Withdrawal Amount, and Proc Code. The table contains three rows: REGULAR SHARE (2,085.27 / 2,080.27 / 0.00 / 50.00), SHARE SAVINGS (2,393.53 / 2,010.40 / 0.00 / 0.00), and SHARE DRAFT (6,771.41 / 6,771.41 / 0.00 / 0.00). The 'Proc Code' field for the 'SHARE SAVINGS' row is circled and has an arrow pointing to it from the callout box. At the bottom, there are buttons for 'Post', 'Show Acct Type', and 'Calculate Cash Back', along with a status bar showing 'FR (1551) 7/02/15'.

4. Press **Calculate Cash Back/Enter** to refresh the screen and calculate the transfer amount.

NOTE: The system will not verify available balance at this time. This is done when the transaction is posted.

- Press **Post** (F5) to post the transaction.
- If the transaction was completed, the following confirmation window will appear:

- Press **Enter** to return to the Funds In screen and perform any additional transactions this member needs.

OR

Use the up arrow to exit this member and return to the initial teller posting screen.

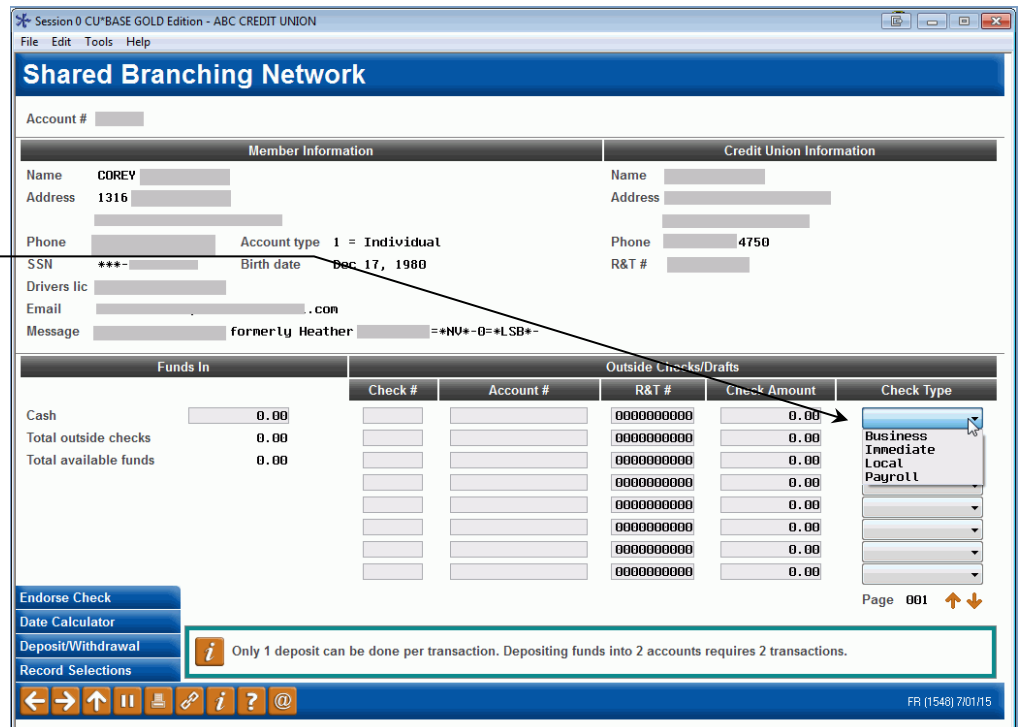

CASHING CHECKS

After performing the steps under “Accessing the Member Account” on page 3, the Funds In screen will appear. Use the following steps to cash member checks.

- On the Funds In screen, enter the check information.

HINT: Click the arrow next to the *Check Type* field for valid choices, which include the following:

I=Immediate
or L=Local
(see note on next page for more information.)

- Use the Outside Checks/Drafts fields for information about the checks coming in for this transaction (use Page Down to enter more than 8 checks), including the following details:

- ◆ Check number
- ◆ Account number

- ◆ R&T number (*from the MICR line of the check*)
- ◆ Check amount
- ◆ Check type (used to determine hold days (see note on following page))

IMPORTANT: *When depositing a check, only the check deposit can be made in the transaction. Example: if a member wants to cash a check and withdrawal funds, you must deposit the check in one transaction, then begin a new transaction to withdrawal both check funds (cashing) and the additional amount.*

Note on Check Type

When depositing a check, you can select a *Check Type* of either “Immediate,” “Local,” “Business,” or “Payroll.” This selection is presented in the message file with the transaction to the member credit union, which determines the number of hold days, if selected. Check holds are determined as follows:

- If the teller flags the check for “Immediate” availability, then the funds will not be held and will be immediately available to the member.
- If the teller flags the check for a “Local,” “Business,” or “Payroll” hold, then the funds will be held for the number of days configured by the member credit union. *Please note that regardless of the hold configured here, \$200 will be automatically released on the next business day as required by Regulation CC.*
 - NOTE: Checks marked as “Business” can only be sent by themselves.
 - NOTE: Only five payroll checks are allowed in one batch.
 - *If the member you are assisting comes from a credit union processing with CU*BASE, the check holds days used for local, business and payroll are the same. Online credit unions can contact a Client Service Representative to adjust their own issuer configuration. Self-processing credit unions can adjust this configuration in OPER 10 > 28, option 4.*

However, if the member visiting your credit union is coming from a credit union with a different processor, these hold days may not be the same.

3. Press Enter to refresh the screen and calculate the total funds in.
4. Press **Deposit - W/D** (F10) to proceed to the Deposits/Withdrawals screen.
5. Press **Post** (F5) to post the transaction.
6. If the transaction was completed, the following confirmation window will appear.

7. Press Enter to return to the Funds In screen and perform any additional transactions this member needs.

OR

Use the up arrow to exit this member and return to the initial teller posting screen.

A teller receipt will be produced as usual, indicating that this was a shared branching transaction.

MISCELLANEOUS RECEIPTS

After performing the steps under “Accessing the Member Account” on Page 3, the Funds In screen will appear. Use the following steps to process miscellaneous receipts.

1. On the Funds In screen, enter the cash amount.

Funds In		Outside Checks/Drafts				
		Check #	Account #	R&T #	Check Amount	Check Type
Cash	150.00			000000000	0.00	
Total outside checks	0.00			000000000	0.00	
Total available funds	0.00			000000000	0.00	
				000000000	0.00	
				000000000	0.00	
				000000000	0.00	
				000000000	0.00	
				000000000	0.00	
				000000000	0.00	

2. Press **Deposit - W/D** (F10) to proceed to the Deposits/Withdrawals screen.

- Place an **R** in the Proc Code for the account that will cover the transaction.

- Press **Post** (F5).

- Enter the amount, code, receipt description and GL Description. Press **Post** (F5) to post the transaction.
- If the transaction was completed, the following confirmation window will appear:

7. Press **Enter** to return to the Funds In screen and perform any additional transactions this member needs.

OR

Use the up arrow to exit this member and return to the initial teller posting screen.

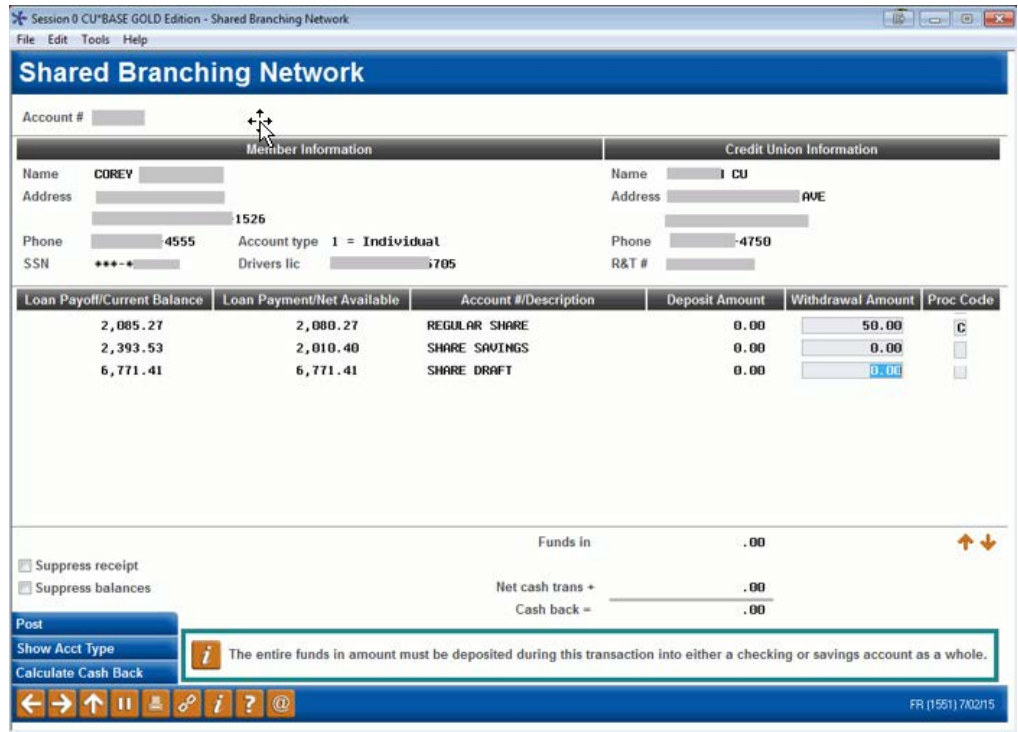

A teller receipt will be produced as usual, with a notation “FSCC” or “CUSC” and the foreign credit union’s R&T number at the bottom of the receipt to denote a shared branch transaction.

CHECK WITHDRAWAL

After performing the steps under “Accessing the Member Account” on Page 3, the Funds In screen will appear. Use the following steps to withdraw money from a savings account, a share account, or a loan account with a check.

The loan account must allow disbursements for you to be able to make a check withdrawal from that account.

1. On the Funds In screen, press or click **Deposit - W/D** (F10) to proceed to the Deposits/Withdrawals screen.
2. In the account field enter the dollar amount the member wants to withdraw.

3. Enter a **C** (for Check) in the Proc Code field next to this account.
4. Use **Post** (F5).

No cash or checks are allowed in the Funds In screen during this process.

5. The next screen allows you to change the address of the recipient of the check. Then use **Post** (F5).
6. Then you will move through a series of OFAC screens followed by the confirmation screen. This screen indicates that the transaction has been approved by the member's credit union. If the transaction was completed, the following confirmation window will appear:

Press **Enter** to return to the Funds In screen and perform any additional transactions this member needs.

OR

Use the up arrow to exit this member and return to the initial teller posting screen.

A teller receipt will be produced as usual, with a notation “FSCC” and the foreign credit union’s R&T number at the bottom of the receipt to denote a shared branch transaction. A check will print at this time as well.

ACCOUNT INQUIRIES

After performing the steps under “Accessing the Member Account” shown on Page 3, the Funds In screen will appear. Use the following steps to perform inquiries on the member’s accounts, including balance information and recent transactions.

1. On the Funds In screen, press or click **Deposit - W/D** (F10) to proceed to the Deposits/Withdrawals screen.

Use Reversals (F10) to reverse a transaction posted today on this account. (See Page 19 for details.)

- To view a “mini statement” of recent transactions, use **Transactions** (F9).
- Select the date range or number of days or number of transactions you would like to view from the selection screen.

		SHARE DIVIDEND		.00

REVERSING TRANSACTIONS

The system can be used to reverse any transaction performed by your credit union on the **current day** only.

For previous-day reversals, contact the member's home credit union (the issuer) and request that an adjustment be made to the member's account. A journal entry may also need to be made by your accounting department to offset your shared branch settlement G/L.

Remember that you should reverse only those transactions that were **performed by you**. Reversing another teller's transactions will cause your teller drawer to be out of balance.

1. If necessary, access the member's account (use the steps on Page 3).

*CU*TIP: If you just posted the transaction and are still in that member's account, you do not need to exit first.*

2. When the Funds In screen appears, use **Deposit - W/D** (F10).
3. Enter an **I** (for Inquiry) into the *Proc Code* field next to the account where the original transaction was posted and press **Enter**.
4. Use **Reversals** (F10) to display the following screen:

The screenshot shows a software window titled "Session 0 CU*BASE GOLD - ABC CREDIT UNION". The main heading is "Shared Branching Network". Below this, there are fields for "Account #" and two columns of information: "Member Information" and "Credit Union Information".

Teller	Date	Time	Account Type	Amount	Description
	Jul 06, 2015	11:34:04	000	200.00	Check Deposit

Below the table is a "Select" button and a confirmation message box with an information icon:

i The system can be used to reverse any transaction performed by your Credit Union on the current day only. For previous-day reversals, contact the member's home Credit Union (the issuer) and request that an adjustment be made to the member's account. A journal entry may also need to be made by your shared branch settlement G/L.

At the bottom of the window, there is a navigation bar with icons for back, forward, up, down, search, and help, along with the text "FR (4947) 12/10/14".

5. Select the transaction to be reversed and use **Select** (or press **Enter**). The following confirmation window will appear:

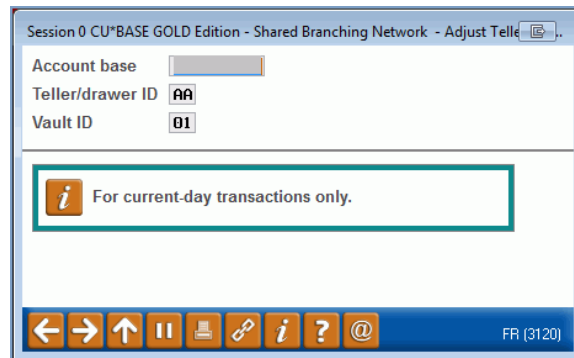

6. Press **Enter** again to proceed. The transaction information will be sent to FSCC/CUSC for approval. Once the approval is received, the following window will appear:

*If a reversal is not approved, you will need to contact the member's own credit union and request an adjustment to the member's account. Then use **Adjust Teller Drawer/Audit Keys** on the Member Account Adjustment Tools (MNADJ) menu to adjust your teller drawer.*

7. Press **Enter** to continue and proceed to correct your teller drawer. The following window will appear next:

8. Verify your teller ID and press **Enter** to proceed. The following screen will appear showing transactions you posted today:

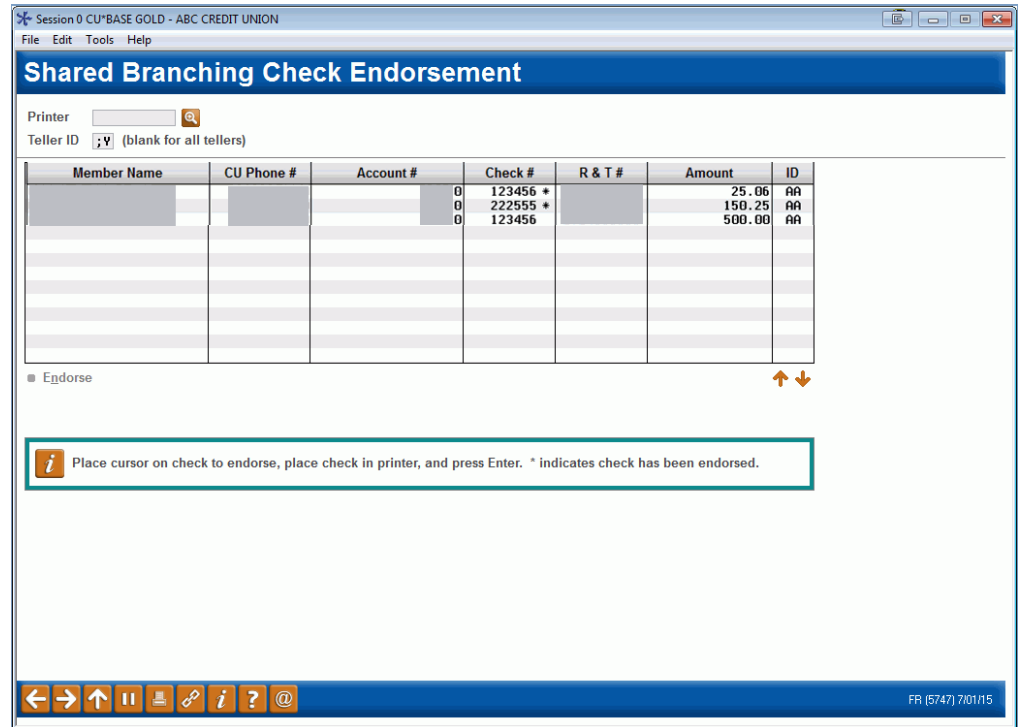

ENDORISING CHECKS

Endorsing checks requires a special check endorsing printer. Checks can be endorsed after they have been deposited by using **Endorse check** (F1) on the Funds In screen (shown on Page 8).

Endorsement can also be done for a batch of checks at the same time using a separate menu option. This is helpful for credit unions that have one centralized endorsing printer to take care of all incoming checks from multiple tellers.

*Of course, checks can still be endorsed manually independent of CU*BASE if you prefer.*

“CUSC/FSCC Acquirer - Endorse Chks” on the Vault Control (MNHTEL) menu

Place the check in the endorsing printer. Select the check in the list and select **Endorse**. Check information will print on the back of the check:

```

CU*ANSWERS TEST CREDIT UNION (CU)
      TELLER# 01
TEST CENTERS/GRAND RAPIDS,MI
      6000 28TH STREET SE SUITE 100
      10/18/11 16:37:05 SEQ # 056618
CR TO THE ACT OF WITHIN NAMED PAYEE
      ACCT# 169
      <<22222222>>
CU*BASE TEST CU
    
```

Once the check has been endorsed, an asterisk will appear in the far right column of the screen. If you select the same check again, you will get a warning message that will allow you to endorse it again if needed, or cancel if the wrong check was selected by mistake.

REPORTING
