April Top Picks: Mobile App & Remote Deposit (RDC)

Issue 64

Be sure to attend the upcoming Tricks of the Trade webinar on April 18 from 3:30-4:00 PM ET. Watch for an invitation via email. Learn about where to go to find resources to learn about Mobile App 2.0 with Remote Deposit Capture (RDC)

Pick #1: [Where can I learn more about Mobile App Banking with Remote Deposit Capture \(RDC\) and see pictures of the product?](#)

Learn more about Mobile App Banking with Remote Deposit Capture (RDC) in the new booklet we created about the product. Learn about customization options, see pictures of what the member sees when depositing a check, how to get started, and much more! Find the Mobile App Banking booklet by entering "Mobile App Reference" in the CU*Answers website Google search.

Pick #2: [Where can I find a Getting Started Guide for Mobile App with RDC?](#)

Check out the [Getting Started Guide for Mobile App with RDC](#) for requirements for Mobile App 2.0 and the steps your credit union will follow when implementing remote check deposit at your credit union. Find the brochure by entering "Mobile Check Deposit" in the CU*Answers website Google search.

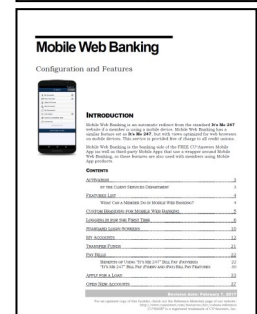

Pick #3: [Where can I purchase Mobile App 2.0 with RDC?](#)

Go to the IRSC store to get started and buy your Mobile App with RDC! In the Mobile Options section, select "Mobile App 2.0." Or visit <https://irsc.cuanswers.com/product/mobile-app-2/>.

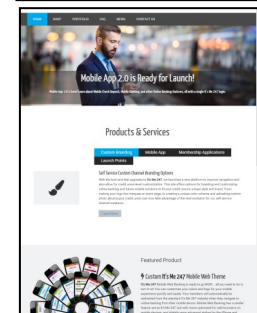

Pick #4: [Where can I learn more about the banking features that members use in the Mobile App?](#)

When members use banking features in of Mobile App, they are using features from our web-based Mobile Web Banking. Learn more about Mobile Web Banking by entering the product name in the CU*Answers website Google search.

Pick #5: [Where can I learn more about exciting new products like Mobile App 2.0 with RDC?](#)

Learn more about Mobile App, MAP, and more by visiting the Internet Retailer Support Center (IRSC) page. Access the page via <https://irsc.cuanswers.com/>

[Refer to the Tricks of the Trade Newsletter Series page to review previous issues in the Tricks of the Trade.](#)
