ONLY 60 DAYS LEFT

At the end of 2016, CU*Answers will be **ELIMINATING** the current member application process via **It's Me 247** (the Satellite Membership Application) to continue to move forward with the new, customizable, and modern member application process – MAP.

Many credit unions who have already implemented their new application process know that MAP is:

- Loaded with new customizable features
- Designed with mobile in mind
- Easy to set up with IRSC Account Executives
- The stepping stone for online membership opening
- Positioning your credit union as an Internet Retailer
