

# Innovation in Vegas: A Quarterly Update

## April 2026 Edition

### What's the Latest in Vegas?

The Innovation Center recently hosted our friends and partners from CU\*NorthWest! The CU\*NorthWest team held a board meeting on-site, along with a roundtable discussion, and we were thrilled to have them join us for two days in sunny Nevada.

*"We always have a wonderful experience working with the staff at the Innovation Center. They are very detail oriented and make planning our events an easy process. We really appreciate their communication and flexibility."*

- Megan Pieper, National Sales Executive, CU\*NorthWest
