In July, our team hosted an Education Express webinar, where we discussed solutions that the Innovation Center can offer to our clients and network partners. If you missed this event but would like to catch up on all the details we shared, an OnDemand video will be made available soon – stay tuned to the [OnDemand site](#) for this video recording!

As announced in last quarter's edition of the newsletter, we have created a new series of marketing flyers which serve to promote the space and services available at the Innovation Center. If you haven't had the opportunity to check these out yet, copies are available on the Innovation Center website at: wecanbeyourwildcard.com/reservations/.

If you've visited [CUSO Magazine](#) recently, you may have noticed advertisements for the Innovation Center highlighted there. We've chosen to advertise with CUSO Magazine to help expand our reach and share our services and solutions with other potentially interested parties within the financial industry.

If you were in attendance for this year's CU*Answers Leadership Conference, you had the opportunity to hear about the many exciting new developments for the coming fiscal year, as well as recent accomplishments for our CUSO. During this year's event, the Innovation Center hosted a raffle giveaway for a FREE full day rental of our training room and/or board room. If you were unable to attend this year's Leadership Conference, we hope you will stay tuned for future events and giveaways!

What Types of Events Can be Hosted at the Innovation Center?

We have several options for facility use depending on your needs, goals and group size. The Innovation Center is a great fit for a variety of events including:

- Board Meetings
- Strategic Management Sessions
- Staff Training
- Workshops
- And more!

All room rentals have optional technology add-ons, support and catering selections if you need it.

Meet Kasey Olchowski

Hello, my name is Kasey Olchowski and I am the Manager of our Client Services and Education Team. Our team specializes in a number of areas. From the client perspective, we are the frontline for software questions, education and light consulting. 2023 marks 11th year I have been with the cuasterisk.com network and I can't wait to see what will unfold over the next 10+ years.

In December 2020, my husband, newborn daughter, and I relocated from Grand Rapids, MI to Las Vegas, NV. It was an exciting and eventful year as we settled into one of CU*Answers' newest facilities, the Innovation Center.

If you are interested in learning more about training opportunities, please visit www.cuanswers.com or visit the [Client Services and Education Online Store](#).
