

# Innovation in Vegas: A Quarterly Update

## November 2023 Edition

### The Latest from Las Vegas

On November 6<sup>th</sup>, the Innovation Center hosted an out-of-network guest. Cook Solutions Group performed a strategic planning session in the Las Vegas office.

In early December, CU\*NorthWest will be hosting a board meeting at the Innovation Center, which will be followed by a 1Click Loan Workshop. If your credit union is interested in expanding your loan portfolio, you can offer pre-approved, guaranteed loan accounts to targeted members via **It's Me 247** desktop and mobile banking! There's no application, no credit pull, and no underwriting. Acceptance of the offer is member-driven and funds are available immediately – 1Click offers are just that, offers that can be accepted with one click!

This event will take place on Thursday, December 7<sup>th</sup> from 8:00 AM to 2:00 PM PT. By the end of the workshop, attendees will have the opportunity to walk away with a live offer! For more information, or to register for this event, please visit: <https://cunorthwest.com/join-us-for-a-1click-loan-workshop/>.
