FAQs: What does the March system upgrade mean for me?

General Questions

Q: Now that SBCFCU is part of Service 1 Federal Credit Union, what does this mean for me?

A: You have access to expanded locations, a larger ATM network, additional resources, and a wider range of products and services!

Q: Will my account numbers change?

A: All SBCFCU member base account numbers will remain the same, but will follow an expanded 6,000,000 series structure. For example: If your account number was 12345, it will now be **6012345**.

Account suffixes will be updated on March 21, 2020. A commonly used suffix conversion chart can be found below; refer to your accounts in It'sMe247 Online Banking or the Service 1 FCU mobile app for a complete list of updated suffixes and descriptions.

SBCFCU	Service 1 FCU (new)
High-yield.....005	Money Mgmt 014
Regular Shares.....006	Special Shares..... 011
CDs.....030500
IRA CDs.....050600
Overdraft.....786789

All automatic transfers set up with your SBCFCU accounts will continue to post as scheduled; you will not need to reconfigure your account number information.

Q: Can I use the checks I currently have?

A: You bet! Use your current supply of checks until they're gone. For reorders, please contact Service 1 FCU so your information can be updated.

Q: Will the routing number change?

A: Service 1 FCU will continue to process all items associated with the SBCFCU routing number. Effective March 21, 2020, you should use the Service 1 FCU routing number **272483264** for any new items.

Q: Will my direct deposit and payroll deduction stay the same?

A: Yes. If you currently have direct deposit of your payroll check, payroll deduction or direct deposit of pension or Social Security, it will automatically transfer to Service 1 FCU without any action by you.

Q: Can I still use my SBCFCU debit card and PIN #?

A: Upgrade to the Service 1 FCU debit card now to start taking advantage of account REWARDS and mobile wallet! Contact

a Member Service Representative for details. In the meantime, your existing SB cards will work as usual. Your card numbers may change in the future; if this happens, you will be notified in advance.

Q: Will I still be able to use It'sMe247 Online Banking?

A: Absolutely! Access It'sMe247 Online Banking using the blue "Online Banking" button on the Service 1 FCU website at www.service1fcu.com. Use your expanded Service 1 FCU account number for your user ID; your password will be the 4-digit birth year for the primary account holder plus the first two letters of the last name, capitalized. **You'll have until April 13, 2020 to log in and update your user ID and password.**

For example:

Member John Doe, born in 1992, whose account number is 12345

New user ID: 6012345

New password: 1992D0

It'sMe247 Online Banking will be unavailable for a brief period while the system upgrade is in progress. Access is expected to be restored beginning Sunday, March 22, 2020, at which time your fully-integrated Service 1 FCU account will be available for balance inquiries, performing transactions, updating settings and more.

Q: Will I still be able to use the SBCFCU mobile app?

A: The Service 1 FCU—SB Branch mobile app will no longer be supported after the system upgrade. Users will need to access their account using the Service 1 FCU mobile app. Download it now to improve on-the-go banking beginning March 22! It's loaded with new features including a message center, e-statement viewing and history, home screen feature shortcuts, optimized tablet viewing and more.

Q: When can I start using mobile wallet—and Apple Pay, Google Pay, Samsung Pay—on my smartphone?

A: Cards issued by SBCFCU and bearing the SB logo will not be compatible with the FREE Service 1 FCU mobile wallet feature. When you convert to a Service 1 FCU debit card or a ScoreCard Rewards credit card, you can use touchless pay in your device's mobile wallet. Upgrade to a Kasasa Rewards Checking account now to combine convenience with monthly

rewards like high interest, cash back or digital credit!*

Q: Will there be any changes to my account statement?

A: Your statement will have a new look! Plus, if you have a checking account, you'll start receiving monthly statements rather than quarterly.

Q: Will anything change with my share certificates?

A: Your current certificate rate will remain the same, with quarterly dividend deposits. Look for a notice that outlines new terms for maturing certificates; you'll have 10 days to make any changes you'd like.

Q: What happens to my rewards checking account?

A: Your account will automatically convert to a basic checking account effective March 21, 2020. Your last dividend for your SBCFCU Hole in One checking account posted at the end of February.

A: The last payment that will be processed using your current Bill Pay service will be **Friday, March 20, 2020**. You can access a detailed payment history through March 20, 2020. After this time, your payment history will be unavailable.

Beginning March 22, 2020, you can re-enroll in Online Bill Pay. It's simple to do this in It'sMe247 Online Banking, and the service is still provided at no cost. You'll now see the Service 1 Federal Credit Union logo when logging in.

All payments scheduled to pay after March 20, 2020 will need to be set up again when you re-enroll, including payees, account numbers, and due dates. The "pay date" for transactions will be the date your payment is scheduled to be received.

Q: Can I still visit shared branching locations?
