

# MoneyMap

is Now Available in

**It's Me 247**  
Online Banking

Members can easily access **Money Map** on their desktop or mobile device.

We have teamed up with **MoneyMap** to offer members Personal Financial Management Tools directly within It's Me 247. Once members create an account with **MoneyMap**, they can use **MoneyMap** to access information on their accounts with different financial institutions – in a dashboard built right into online banking. They can manage their accounts and view balance information and previous transactions, review trends in spending, create a budget, manage their debts, and much more.

Learn more and get started offering this to your members!

[store.cuanswers.com/product/moneymap](https://store.cuanswers.com/product/moneymap)

The member will not need to leave online banking to view their financial data. They can view their accounts both on their desktop and mobile device right in It's Me 247.
