Resource Guide

# GETTING THE MOST FROM YOUR GUIDE

1. Review the concepts further by using the Online Resources provided in each Learn on Your Own.
2. Watch the video provided by the Client Services and Education Team. See how you pick up the concepts much more deeply.
3. Return to the Resources Guide again to quickly access information on the tools, reports and concepts covered in the course.

Review the webinar again by clicking the picture of the video below.

# Learn on Your Own

This Learn on Your Own allows you to further your understanding of what was taught in the Teller Best Practices continuing education webinar.

Research what you learned on your own the resources provided in this document.

## TOOL #1 & #1600

---

For balancing your own teller drawer use Tool #1 Teller Line Posting or Tool #1600 Xpress Teller.

From there use Audit to access documentation on the Audit Keys.

## TOOL #33

---

To assist in balancing another person's drawer use Tool #33 Teller Control/Inquiry. When assisting another teller, you will need to enter your teller drawer and vault.)

# Teller Drawer Control and Inquiry

## Learn on Your Own

### Teller Drawer Controls Detail screen

Shortcut **TLRCTL**

Also find by searching for **Teller**

[Learn more on your own.](#)

### Teller Audit Key Inquiry screen

Access by selecting Audit from the previous screen

[Learn more on your own.](#)

- ✓ This topic includes Audit Keys, including one that are not deleted like typical Audit Keys

## TOOL #32

---

For making transfers and inquiring in then use Tool #33 Teller/Vault Cash Transfers & Inquiry.

## Teller/Vault Cash Transfers & Inquiry

### Learn on Your Own

#### Teller/Vault Cash Transfers & Inquiry screen

Shortcut **CASH**

[Learn more on your own.](#)

- ✓ Use the "Other" vault type for Teller Cash Dispensers (TCDs), Teller Cash Recyclers (TCRs), Interactive Teller Machines (ITMs), coin machines, etc.

## CU\*SPY DAILY REPORTS

---

This section of the webinar includes information on two CU\*Spy daily reports used for balancing: LTAU2 (Teller Closing Transaction Report) and PHTCL3 (End of Day Head Teller Report).

## ADDITIONAL REPORT

---

Also review the PTLCL2 (End of Day Teller Trial Balance Report), not discussed in the webinar.

## CU\*Spy Reports

### Learn on Your Own

#### **My Favorite Daily Reports booklet**

[Learn more on your own.](#)

- ✓ Review LTAU2, PHTCL3, and PTLCL2
- ✓ The reports are in the Teller section and are alphabetized by full report name.
- ✓ A sample follows the table containing additional information.

## TOOL #532

---

This section of the webinar includes information on the two CU\*BASE reports covered in the webinar including Tool #532 Misc Monthly Receipt Analysis and Tool #533 Misc Advance Monthly Report.

## TOOL #533

---

While these two reports are also archived to CU\*Spy, the webinar recommends reviewing them in CU\*BASE since then you can see the report for the current day

## CU\*BASE Reports

### Learn on Your Own

#### Misc Monthly Receipts Analysis

##### Tool #532

[Learn more on your own.](#)

- ✓ Find an example of the report at the end of the topic.

#### Misc Advance Monthly Report

##### Tool #533

[Learn more on your own.](#)

- ✓ Find an example of the report at the end of the topic.

## TOOL #31

---

This section of the webinar covers Tool #31 Reverse/Tran Adjust Drawer (Same Day) used to reverse same day teller errors.

The next Module covers reversing a transaction that is not a same-day transaction.

## Same Day Reversals

## Learn on Your Own

**Reverse Transaction/Adjust Drawer  
(Entry screen)**

**Tool #31**

Shortcut: **REVLTR**

[Learn more on your own.](#)

**Detail screen**

[Learn more on your own.](#)

- ✓ The webinar also covers the option to suppress the reversal from the member statement.

## TOOL #869

---

This section of the webinar covers the tool used to reverse a transaction that is not same day using Tool #869

Transaction Reversal.

Special procedures must be followed for special circumstances that are covered in the webinar as well as the help topics to the right.

## Same Day Reversals

## Learn on Your Own

### Transaction Reversal (Entry screen)

#### Tool #869

[Learn more on your own.](#)

- ✓ Help topic includes sections on “Reversing a loan payment to principle” and “Reversing a single-pay-per-period delinquent loan”
- ✓ Reversing same-day teller transactions are covered in the previous section.
