New Product!

Credit Card Ca\$h Back

Looking for different ways to help draw attention to your credit cards?

Well, by having a good rebate program, it will not only increase income for your credit union, it will also enhance plastic offerings to encourage members to apply for a credit card loan (because let's be honest, who doesn't like rewards?). With this new credit card cash back rebate program, you will have the freedom of developing such a product that will review the member's credit card purchases each month and reward those members with a percentage back onto their credit card loan. It's a win-win situation - member receives cash back rebate, and the credit union will see an increase in credit card volume.
