

PLAY GLORIOUSLY!

Invest in your credit union:
Optimize your CU*BASE with a Conversion2

- Tune and revitalize your CU*BASE configuration
- Relearn how to make that beautiful music and why you choose certain configuration decisions
- Get your CU*BASE back to the highest level of automation with the best results

Conversion2 works in coordination with the CU*Answers Conversion Team and Asterisk Intelligence

Conversion Team renews your CU*BASE configuration to prepare to execute.

Asterisk Intelligence optimizes your CU*BASE data to prepare to analyze

Just as instruments go out of tune over time, so can your CU*BASE configuration. *CU*Answers recommends a Conversion2 renewal every 5-10 years.*
